Dear Member

Please find enclosed a special offer from the Kenya Red Cross. As your committee we have reviewed this offer and find it to be very good value for money. Go through it and decide if this is something for you. Please note that this offer is only made to members in full standing (that is fully paid up members of the society).

Tomorrow evening from 5pm to about 6pm there will be a walk around Nyari as mentioned in our last newsletter. Please join us on this walk to get to know your estate and some of your neighbours. After the walk water and sodas will be served in our Nyari Office. On hand at the office will be a Red Cross ambulance and some of their staff to answer your questions. You'll be able to inspect the ambulance and ask questions about it and the service the Red Cross provides.

If you do decide to take up the Red Cross offer please let the Nyari office know so that we can keep track of those of our members that have availed themselves of this offer. To take up the offer you should contact Mr Khalil Habib as per his enclosed letter and he will arrange for you to make payment and be entered into their system.

Yours sincerely

(Mr Rahmat Ghassmi - Chairman NRWS)
